

To Whom It May Concern,

I had the opportunity to work with Mihaela during our time together at June Homes, where I was the Office Manager. Although we worked in different functions, our roles meant that we interacted regularly, and I had the chance to see Mihaela both as a colleague and as a manager to her team.

One of the things that stood out most was the relationship she had with the people she managed. Mihaela is an empathetic leader with a big heart, but she also knows how to create a sense of responsibility and purpose within a team. Her employees trusted her, felt comfortable coming to her for support, and genuinely enjoyed working with her. She had a way of making people understand not only what needed to be done, but why their contribution mattered.

Beyond her leadership qualities, I knew Mihaela as someone dependable, energetic and deeply invested in the company and the people around her. She took ownership of her work, was always willing to help, and brought a very human approach to an environment that was growing and changing quickly.

I would gladly recommend Mihaela for a leadership or customer-focused position and am confident she would bring the same level of commitment, empathy and care to any team she joins.
